SPECIAL FILMING CONDITIONS ADDENDUM
PACIFIC PALISADES BLUFF AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The Palisades Bluff area is bounded by Bowdoin Street on the north, Temescal Canyon on the west, Palisades Park on the east and Via De Las Olas on the south. Streets in the area are very narrow, and filming activities can pose significant problems for nearby residents and traffic through the area. The following Special Filming Conditions conditions have been established to mitigate the concerns of local residents and to ensure traffic can move through the area safely.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **No equipment vehicles may be parked on Friends Street and Beirut Street.**
- **A maximum of three (3) trucks may be parked in the area.** *They must be parked on one side only of the filming location block or in areas approved by FilmL.A.*
- **Parking on Via de las Olas is prohibited. Production companies may use stake beds to load and unload equipment in front of filming location only.**
- **Catering on the bluff area of Via de las Olas is strictly prohibited.**
- **When filming at 326 Swarthmore Avenue, parking is permitted on the west side of Swarthmore Avenue only. Street is narrow and the east side of the street is already posted 'No Parking anytime'.**
- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

NOTE: These Conditions are in addition to the Palisades Special Filming Conditions.
